Mayor's Committee for the Arts

I am pleased to announce an expansion to the array of services and opportunities offered by the Borough of Closter and its members of our Commissions and Committees. The *Mayor's Committee for the Arts* is a new initiative designed to enhance the quality of life enjoyed in Closter. The *Mayor's Committee for the Arts* will be overseen by the dedicated volunteers of the Closter Improvement Commission (CIC).

Art in any form ~ dance, music, sculpture and painting, literature, or theatre provides the opportunity to enlighten our community. Art proves to be educational while adding a brighter dimension to our world. The volunteers of the CIC are developing opportunities that will showcase various artistic talents throughout Closter.

The *Mayor's Committee for the Arts* is an important expansion to the spirit of community that is found and enjoyed in Closter. The C.I.C's volunteer members of the *Mayor's Committee for the Arts* are looking forward to developing fabulous arrays of the arts in Closter. Interested in participating or suggesting ideas for an arts program? Email the committee at mayorscommitteearts@gmail.com.

Sincerely,

John C. Glidden, Jr.
