***NJMVC Further Extends Driver License, Registration, and Inspection
Expiration Dates Due to COVID-19***

TRENTON – Governor Phil Murphy and New Jersey Motor Vehicle Commission Chief Administrator Sue Fulton today announced additional extensions to driver license, registration, and inspection expiration dates in their continuing efforts to mitigate COVID-19 and safeguard public health.

Effective immediately, the following documents, if expiring between March 13 and May 31, have been extended to July 31. Documents expiring June 30 are extended two months to August 31, and those expiring July 31 are extended to September 30.

- All Standard driver licenses (including permits) and standard non-driver IDs
- Privately owned and commercial vehicle registrations
- Vehicle inspections
- Purple Heart/Disabled Veteran placards
- Temporary tags

“Extending the expiration dates further is the right move with our agencies closed to the public, as we work to stamp out the threat of COVID-19 together,” Fulton said. “We continue to urge eligible customers to renew their licenses and registrations online at [NJMVC.gov](https://www.njmvc.gov).”

“Get it done online now, if you’re able,” Fulton suggests. “We do anticipate that volumes will spike once we reopen and when we reach the end of these extensions. Our job is to serve customers in the most efficient way possible and one way we can do that is by steering people to our expanded list of online services.”

By law, Chief Administrator Fulton has the authority to extend expiration dates when a State of Emergency has been declared. Governor Murphy extended the State of Emergency and Public Health Emergency on

May 6 as part of the state's coordinated COVID-19 response.

On March 13, the NJMVC initially **announced** two-month extensions for licenses, registrations, and inspection stickers expiring in March, April, and May, timelines that have now been pushed back.

The NJMVC encourages customers to utilize online services, which have been expanded during the COVID-19 crisis. In most cases, customers can renew a license, replace a lost license, change an address, renew a registration, and complete other transactions through the NJMVC's **Online Services** portal.

Customers also should check **NJMVC.gov** for the latest information and updates.
